New Parking Lot Update
As you can see, the property next door has now been completely leveled and carried off. The utility pole has been removed. Sometime in the next four weeks, weather permitting, they will come and take up all of the asphalt remaining on the parking lot and then prepare to lay the new asphalt, doubling our parking capacity.
Remember: The total cost for completing this project is \$150,000. If you would like to donate to this project, mark your check accordingly.

The Dimensions of Discipleship
Growing in Christ each day!
Every Sunday morning through February!

Wait A Minute!
 Reading the Bible. You will see in the newsletter each week, at the bottom left corner of page 2, a schedule for Bible reading. I challenge and encourage you to read either the Bible through completely or the New Testament through completely this year. If you choose to read the New Testament and follow this schedule, you will finish on October 4th - so you will have some make up days before the end of the year.
 If you choose to read the entire Bible and follow this schedule, you will finish on November 22nd - and have some make up days before the end of the year.
 Or, you can follow your own schedule. Find a translation or a paraphrase that you enjoy and begin listening to God's Word each day. I firmly believe He speaks through His Word.
 As always, thank you so much for the opportunity of ministry these past 18 years; and I do look forward to worshipping with you on Sunday.
