Wait A Minute:

I came across the following piece written anonymously. It bears this title: “This Is My Church.”

This Is My Church

It is composed of people just like me. It will be friendly if I am. It will do a great work if I work.

It will make generous gifts to many causes if I am generous. It will bring others into its fellowship if I bring them. Its seats will be filled if I fill them.

It will be a church of loyalty and love, of faith and service. If I, who make it what it is, am filled with these.

Therefore, with God’s help, I dedicate myself to the task of being all these things I want my Church to be. *Anonymous*

As I read that piece two questions come to mind: One, if someone sees your life and hears your words and observes your actions and feels your attitudes and draws near to your heart, what will they learn about our church?

And two, if everyone in our church fellowship supported the church and attended the church and gave to the church like you do, what kind of church would we have?

Two interesting questions as the New Year is almost one month old. Think about these questions and remember: this is our church!

As always, thanks for the opportunity of service and I do look forward to seeing you in our church this Sunday.

New Parking Lot Update

As you can see, the property next door has now been completely leveled and carried off. The utility pole has been removed. Sometime in the next four weeks, weather permitting, they will come and take up all of the asphalt remaining on the parking lot and then prepare to lay the new asphalt, doubling our parking capacity.

Remember: The total cost for completing this project is \$150,000. If you would like to donate to this project, mark your check accordingly.
