The Good News

Wait A Minute!

Computer crash! That's what I experienced last week when the electricity suddenly turned off. I understand that it was off for many others throughout the town. When the electricity came back on a few moments later, my office computer did not. It crashed. Apparently, from those "experts" I've talked to, along with the computer crashing went the loss of all my files. Ouch.

So, you may notice some differences in serving schedules, Bible reading schedules, and other information found in the newsletter. All of those items were stored on my computer and now lost.

I'm glad that when life comes crashing down around us that all is not lost. We have a Savior; a Lord; His name is Jesus. As Max Lucado writes: "He is the God that knows our

name."

When we crash, he picks us up with forgiveness. He stands with us in His presence. He feels for us in our pain. Come join us on Sunday mornings for Sunday School and hear from Max Lucado as he teaches us about this Jesus.

Then, make sure you are here for worship as Spring Training begins this week. This is our theme for this year's season of Lent. We will work on the fundamentals like forgiveness and love. We will think about the season ahead with commitment and excellence. We will think about our teammates with gentleness and encouragement. But most of all, we will hear the Coach speak; we will listen to what he says; and then with obedience we will put all of that into action. Spring training is here.

As always, thank you so much for the opportunity of service and I look forward to worshipping with you this Sunday.
