Wait A Minute!

After several weeks, we will finally have a new parking lot. This will help us so much especially when we return to Sunday School (in July I think and hope) and this fall when WNL gets kicked off again. This is good.

After the new parking lot is striped, we will move the van building into the corner and then have a fence built on the north side of the parking lot. Everything will not only be so much more functional but it will look good, too.

This past Sunday was tremendous. We had a great crowd in attendance. We recognized Allison Cox and congratulated her on her graduation. And then, we began our theme for the summer: Hymns for Him. It was good to see you in worship service on Sunday and I look forward to this week when we will worship again.

As you know summer is here and many of us will be enjoying some time on vacation and week-end trips. Let me remind you as I do every summer. When you are in town, please make all efforts to be in attendance. If you are out of town or on vacation, and you attend church with a friend or family member, take note. If that church does something especially well, let me know. I'm always interested in hearing about other churches and what they are doing. And then, make sure to keep up with your giving.

As always, I thank you for the opportunity of service and ministry and look forward to worshipping with you this Sunday.

During this time ...

Our church continues to pay its bills, obligations, and payroll. To do this we depend upon you. Please remain faithful as always in your giving and support. You can mail in your offering to PO Box 971. You can contribute online through our website: fccdumas.org. You can stop by the office during the week. Or, you can make up your offerings when we begin to meet regularly again. Thanks for being faithful in your giving and support.

*For it is by grace you have been saved, through faith - and this is not from yourselves, it is the gift of God - not by works, so that no one can boast.
(Ephesians 2: 8-9)*
