Wait A Minute!

I have a sinus infection - that's the bad news. Medicine will take care of that rather quickly. However, I do not have the coronavirus - that's the good news. But there's a catch: Because I've been in contact with people who have tested positive for the coronavirus, I am cautiously quarantined. I am to avoid contact with people until July 30th.

During the week that's easy. I can stay at home or I can go to my office. Holly is at home in the evenings social distancing from me and then no one is in the office but me - for the most part - during the day. I have a mask by my desk and warn people immediately as they walk into the outer office.

What about Sunday? My biggest fear is not me getting sick but me making someone else sick. So thanks to technology, I will be here on Sunday via video communications. Since Gary has one more week of quarantine, my friend Eugene will be here to lead the music. Then, I will come on the large video screen with a message. No, I will not be large on the screen ... but on the large screen.

I hope you will be in church live and in person; but if not, then please join us via Facebook. Remember the guidelines for us to continue with morning worship services. The primary guideline: Practice self discipline. If you have extenuating physical or health related circumstances or if you have flu like conditions, please enjoy worship on Facebook.

If all goes well, my cautious quarantine will end on the 30th and I will be with you live and in person on August 2nd.

As always, thanks for the opportunity of service and ministry and I look forward to seeing you from the big screen this Sunday!

During this time ...

Our church continues to pay its bills, obligations, and payroll. To do this we depend upon you. Please remain faithful as always in your giving and support. You can mail in your offering to PO Box 971. You can contribute online through our website: fccdumas.org. You can stop by the office during the week. Or, you can make up your offerings when we begin to meet regularly again. Thanks for being faithful in your giving and support.

And now these three remain: faith, hope and love. But the greatest of these is love. (1 Corinthians 13:13)
