The Good News

Wait A Minute!

We've made it through to the middle of August. Summer is almost over. The year is over half way finished; and what a different type of year it has been. And of course, school began this week..

We have a number of people in our church who work in school districts in this area. And to those who teach, to those who police, to those who administrate, to those who clean, and to those who assist – hats off to all of you.

Christian teachers, aides, principles, counselors, librarians, nurses, custodians, and trustees – you have a tremendous opportunity to make a difference in the lives of many young people. For some of those children, you are the only positive influence and source of encouragement they have.

To a few of those kids, your distinctive life-style is the only Gospel they have seen. And to

a hand full of those students, your love is the only love they receive. So remain positive, be distinctive, and allow the love of Jesus to shine through you. Thanks for being there for our kids.

For the rest of us who send (or have sent) our kids to school, pick out one of the school employees in our church, and covenant to yourself and to God that you will become a prayer warrior on their behalf. Then, periodically (perhaps once every six weeks) send them a nice card and tell them that you are praying for them and that you do appreciate their labor on behalf of students.

Together, then, we can have a Christ-loving impact on the school districts in our area.

Thank you again for the opportunity of service and I look forward to worshipping with you this Sunday.
