Wait A Minute!

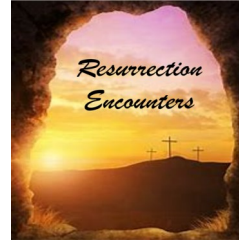

What does God promise? The Bible reminds us that God promises to protect us from the ultimate fate of sin, which is death. "The wages of sin is death," the Bible assures us; "But the free gift of God is eternal life in Jesus Christ our Lord."

No doubt - we are all sinners who have fallen way short of God's glory. We are sinners by nature and we are sinners by choice. And the ultimate consequence of sin is full, final, and complete separation from God; or eternal death. In the Bible, this is called perishing; final judgment; hell, everlasting punishment. Whatever you choose to call this ultimate consequence, this is the final result of being a sinner who has fallen short of God's glory.

However (and this is a huge, yet loving and gracious however); if you are in Christ; if you confess to the world and with your mouth that Jesus is Lord and believe in your heart and with your trust that God raised Him from the dead; then God promises to deliver you from this ultimate fate of sin. And in the place of eternal death, he guarantee eternal life. "For God so loved the world," Jesus promised, "that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.

So get a piece of the rock. And put your trust in that promise. You have God's Word on it.

As always, I thank you for service and ministry and look so forward to worshipping with you this weekend.

Nursery Worker

We have a new nursery worker, **Araceli "Shelly" Vazquez**. She will keep the nursery during the worship service.

The nursery is available for children three years old and younger.

When they had finished eating, Jesus said to Simon Peter, "Simon son of John, do you love me more than these?"

"Yes, Lord," he said, "you know that I love you." Jesus said, "Feed my lambs." (John 21:15)
