Wait A Minute!

Check out the flocknote information below this article. Flocknote is a texting / emailing service that enables churches to more effectively stay in touch. (Sending a note to the flock) If you text FCCDUMAS to 84576, you will receive a text in return inviting you to click a link which will take you to a registration page. Here, you can put in your name, email address, and cell phone number. (If you already receive the newsletter by email, it may not ask for your email address)

You will also choose for what reason you will be notified: to receive the newsletter via email; to receive prayer alerts; to receive a weekly devotion; or, you can choose neither of these and still have your information in our church's date base.

With your information in our data base, you will be notified occasionally of upcoming and important events; of postponements of any scheduled activity (like for weather); or, you may even be asked to fill out a survey. There is no cost to you; your information will not be sold or distributed; and you can unsubscribe at any time.

If you text and/or email, I hope you will take advantage of this. If you do neither, don't worry: We will still do our best to keep you informed.

As always, thank you for the opportunity of service and I look forward to worshipping with you Sunday.
