The Good News

Wait A Minute!

Let me give you an update on the status of our parking lot loan. If you will recall, in July of 2019 we borrowed \$75,000 to purchase the house next door. We added to our budget a payment of just under \$640 each month. Over the next few months, the house was moved (at the cost of the recipients of the house) and the lot was cleaned off by our men in preparation for the paving of the parking lot. The paving of the parking lot was completed in the early summer of 2020; at a cost of \$81,000; which we paid in whole from the surplus of our monies on hand.

We now owe just a little over \$40,000 on the original note. Several of our church members

give a little extra each month or once a year; and that money is regularly applied to the balance of the loan. I'm hoping that we can completely eliminate this loan some time this year so that we can move forward with other projects.

The parking lot as been so beneficial for us, after so many years of just looking for a place to park on a busy Wednesday night or on a larger than normal crowd on Sunday morning. Thanks for your willingness to give.

As always, I thank you for the opportunity of serving and look forward to worshipping with you this Sunday.
